

Standard_Label	Standard_Description						
AZ.1.	American History: A study of American History is integral for students to analyze our national experience through time, to recognize the relationships of events and people, and to interpret significant patterns, themes, ideas, beliefs, and turning points in Arizona and American history. Students will be able to apply the lessons of American History to their lives as citizens of the United States.						
1.1.	Research Skills for History: Historical research is a process in which students examine topics or questions related to historical studies and/or current issues. By using primary and secondary sources effectively students obtain accurate and relevant information.						
PO 1.	Use timelines to identify the time sequence of historical data.
