Standard Label	Standard Description				
AZ.1.	American History: A study of American History is integral for students to analyze our national experience through time, to visualize the relationships of events and people, and to recognize significant patterns, themes, ideas, beliefs, and turning points in American history. Students will be able to apply their knowledge of American History to their lives as citizens of the United States.				
1.1.	Research Skills for History: Historical research is a process in which students examine topics or questions related to historical events and/or current issues. By using primary and secondary sources effectively students obtain accurate and relevant information.				
PO 3.	Construct timelines of the historical era being studied (e.g., presidents/ world leaders, key events, people.)
