7th Grade

Standard Label	Standard Description				
AZ.1.	American History: A study of American History is integral for students to analyze our national experience through time, to recognize the relationships of events and people, and to interpret significant patterns, themes, ideas, beliefs, and turning points in Arizona and American history. Students will be able to apply the lessons of American History to their lives as citizens of the United States.				
1.1.	Research Skills for History: Historical research is a process in which students examine topics or questions related to historical studies and/or current issues. By using primary and secondary sources effectively students obtain accurate and relevant information.				
PO 3.	Construct timelines of the historical era being studied (e.g., presidents/world leaders, key events, people.)

<i>Standard Label</i>	<i>Standard Description</i>				
4.5.	Environment and Society: Human and environmental interactions are interdependent upon one another. Humans interact with the environment- they depend upon it, they modify it; and they adapt to it. The health and well-being of all humans depends upon an understanding of the interconnections and interdependence of human and physical systems.
